

Suggested script for contacting your legislators:

Hello, my name is _____.

- I am calling you because I'm very concerned about lack of funding for human services. These services are for all of us.
- The state budget as it currently stands is not acceptable.
- What are you doing to ensure human services will remain fully funded this coming year?
- You are my (Senator/Representative) and I want to know that I can count on you to support a budget that takes into account the needs of everyone.
- Your decision can avoid the devastating impact that this current budget is sure to have.

Please vote YES for full funding of human services.
Thank you very much.
